Polka Dot Themers: I put it together

Compiled by: teachntx

Hey girlies,

I am trying to do the Polka Dot theme. I am including Ladybugs with it, so that I have a little more room to go with it. I compiled a list of most of what I could find on here and some of my own ideas. Please add ideas!! Hopefully this will get our creative juices flowing...

ps. Sorry it is long, but I am too new to put it as an attachment...
