

microwave play-dough

Compiled by: lacey

Hi! This is a recipe i used last year. It is EASY and my kids loved the smell. 1 c. flour 1/2 c. salt 1 tsp. cream of tartar 1T cooking oil 1 c. water 1 pkg. unsweetened Kool-Aid or food coloring Add food coloring or 1 pkg. Kool-Aid to water. Add all the ingredients in a microwave bowl. Stir every minute until it forms a ball. Takes 3-5 minutes. Let it cool & store in a Zip-Lock in the refrigerator.
