Fine dough for filigree work

2 cups flour

1 cup salt

100 grams cornstarch

1/2 cup water

Firm dough for making tiles and plates

2 cups flour

1 cup salt

2 tablespoons wallpaper paste

1/2 cup water

Mix the dry ingredients in a large bowl and then add the water. Knead the mixture for about five to 10 minutes, until it becomes smooth and elastic. Cover with cling wrap to keep the dough from drying out, and let the dough sit for 30 minutes before using.
