

Compiled by: luvinlife

I take 10 points off for late work. I also send a note home to parents the first time an assignment is late, requiring their signature. After 10 missing assignments, I send students to the office. I am attaching the form that I use to track missing work. I found the idea on here and modified it to fit my own needs. You would make a folder for each child with this form in it and fill it out as need be.
