

Catholic Schools Week

Compiled by: Carol

We've done the following in the past: decorated classroom doors, had essay contests as to why our school is the best, Student vs. Faculty volleyball game, spelling bees in each level, movie and popcorn for student appreciation day, pep rallies, school color day, prayer service to open the week, special Mass, VIP day (grandparents, etc.), schoolwide field trip -ice skating rink, alumni come to speak. Hope this helps. I'd be interested in your ideas, too.
