Compiled by: Ann

Tell Dad you love him with a sweet bag of Father's Day treats - each item has a note attached explaining the significance: Tootsie Roll - to show the big ROLL you play in my life 100 Grand Candy Bar - to show you how much you are worth to me Bag of Popcorn - to let you know that without our pop, our family would not be CORN-plete Bag of Peanuts - to tell you I'm nuts over you Hershey's Kiss - to show you how much I love you Mint - to show my appreciation of your commit-MINT to me Roll of Lifesavers - for how you protect me from danger and show me right from wrong. These can all be in a bag together or you can send dad on a treasure hunt with clues on index cards - hope this isn't too late
