

Picnic Bulletin Board Idea

Compiled by: Julie

This past September we made a board for 3rd grade with a fabric backdrop. It was a picnic table cloth pattern (red and white checker board) with ANTS! It looked fantastic! I bought the fabric on discount at WalMart. Then using paperplates the kids wrote a short story about their summer. It Looked just like a picnic! We even attached napkins and plastic food. Hope this gives you a spark for an idea!
